THE DEVELOPER

Lester Group is a diversified property development and investment company offering property investment opportunities that deliver financial security and enviable investment returns.

They are known for being fiscally responsible, disciplined and committed to consistently delivering value for investors. This has led to the reputation Lester Group holds today; that they have consistently delivered excellent returns, undertaken on behalf of the group of like-minded investors.

Lester Group invests at least \$1,000,000 in every property syndicate they offer. This personal investment reflects Lester Group's commitment to the success of each investment.

Investors typically form long-term relationships with Lester Group, and that's why word of mouth is still the most meaningful endorsement of what they deliver, and how business is done. Armed with an intimate knowledge of market conditions, the experienced team identifies and secures attractive investment properties and establishes a syndicate to share the benefits of long term property investment. Lester Group then manage and help grow these investments into sustainable, long-term financial assets.
